

Communications Committee Annual Report for 2020

The Communications Committee consists of: Eileen Cowtan, who sends out group emails to keep the GNS members up to date; Milt Spitzer, who produces the Chronicle newsletter each month; Paul Thibault, who updates and manages the GNS website; Tina Regehr, who updates and manages Facebook for GNS; and myself.

Since the COVID pandemic hit us last March, the Communications Committee has been quite idle. Advertising was placed in the Medicine Hat News to notify the readers of our monthly meeting and guest speaker for the January and February meetings. This free advertising was in the "Events Calendar" on the Monday edition of the paper. Then there were no meetings to be announced or advertised from the middle of March onwards for the rest of the year. Usually, we set up at the Farmer's Market in the summer months, but because of COVID we felt it was not safe to be out among more people than was necessary. The Medicine Hat Public Library was closed to the public when World Water Day happened in March, so there was no display set up for it. Also, SEAWA didn't hold any conferences/seminars this year, so no table was set up there either. Therefore, it has been quite an uneventful year for the Communications Committee.

Thank you to all the members on the Communications Committee for your hard work and dedication.

Angela Turner

Communications Chairperson
