

Fund Raising Committee Report to GN AGM, March 2023

2022 was very quiet year for Fund Raising partly due to COVID restrictions.

We again received a \$500.00 donation from Methanex, which had been earmarked for the Climate Change Symposium. If that doesn't happen we can ask Ian, as GN rep to the Methanex Community Advisory Panel, for his preferences.

Following our successful Casino at the end of Feb, 2022 we have received Casino Funding of \$12909.00. Thank you to all the volunteers and a special thanks to Bruce Mcleod and Elaine Zimmer for managing it for us. Well done all! We are hoping for another date sometime in the summer months.

And that's the extent of our 2022-23 activity this past year.

Respectfully submitted,

Hugh Armstrong,
